Early Bird Service starts at 10am, tea and coffee from 9.45am.

Tea and coffee available after morning service in church.

*As per Kirk session suggestion and agreement throughout 2019 we are going to try holding a number of family services in the cornerstone at 11am.

This is a venture to invite and attract more families from the community to our family worship services and we would ask for the full congregation support, not only in attendance but in prayer.
